Land for sale with a total area of 9 ares, located in Codru, on Viticultorilor Street.

Total area: 9 ares

There is an existing house on the land, which means all utilities (water, gas, electricity, sewage) are already connected.

Features:

- Access from 3 streets, offering great development flexibility
- Suitable for building a duplex, townhouse, or private residence
- Flat terrain with no slope
- Well-developed residential area with easy access to the city center

An excellent opportunity for residential development or investment in a quiet and accessible location.
