The "Braus Royal Residence" complex is positioned on the main artery of the Ciocana sector - Mircea cel Bătrân Boulevard, defining a luxurious setting through every detail. The architecture of the complex is characterized by straight, clean lines, devoid of excessive ornaments, complemented by green spaces and recreational areas.

Both the positioning and the materials from which it is built are specially designed to create a peaceful and comfortable lifestyle. The block's courtyard is fenced, well-maintained, with resting places for adults and playgrounds for children.
