Grenoble Residence, the new residential complex developed by Solomon Construct Imobil, opens its doors in the heart of the Botanica sector, on Grenoble Street. With the commencement of construction, it promises to be an urban oasis surrounded by well-maintained green areas and relaxation spaces. The pathways of the complex guide you through a vibrant landscape, and every step is accompanied by the beauties of nature and modern comfort. Solomon Grenoble Residence emerges as an urban retreat, inviting you to enjoy the harmony between nature and contemporary lifestyle every day.
